

## Diocesan Cross Country 2014

The Diocesan Cross Country Competition was held at Lake Canobolas on Thursday 8 May. The weather saw a maximum temperature of 14 degrees with a slight cold breeze blowing off the lake which made for perfect conditions.

Competitors ran around Lake Canobolas on either a 3, 4, or 6 km course. The MacKillop College Cross Country Team had a great day winning the 13 Years, 15 Years, 16 Years and 17 Years Age Divisions (this is an average of school placegetters) and gained second place in the 12 Years and 14 Years. A strong result ladies, congratulations.

MacKillop achieved Diocesan Age Champion results in the:

12 Years	Sara Matthews
13 Years	Amy Belfanti
17 Years	Chase Holland

Along with those Age Champions the following students also qualified for the CCC Cross Country to be held at Eastern Creek on Friday 13 June:

Sarah Howes, Lily Healy, Briana Adams, Monique Whiteman, Kate Rudgey, Briana Casey, Frances Orman, Ellie Hogan, Eliza Carter and Liz Crawford.

We wish these students the best of luck at the CCC Competition.

Mrs Novak and Mr Knight would like to thank the MacKillop Cross Country Team for their excellent behaviour on the day of competition, they were a credit to the College.
