

ANZAC DAY 2014

Social Awareness.....

Some Year 9 students were involved in a weekend with some Sudanese families which was organised by the Sisters of St Joseph at Perthville. Here are some thoughts shared by the girls who were involved.

'Taking part in the weekend helped me learn a lot of things. I learnt about the culture of the Sudanese and the troubling times they had experienced. I listened to a heartbreaking story and from this I have realised how lucky I am to have a loving home. I have made many new friends and memories and it will always stay with me.'

'Last term, accompanied by Miss Fry we met a group of Sudanese children. After spending the day with them, doing activities and talking we learned a lot about their culture. Not only did we get to meet the children, but we also had the opportunity to speak with a senior Sudanese woman. After hearing her inspiring life story we all left that day knowing that we can take whatever life throws at us. This was really a rewarding and enjoyable experience, not only for us but for the Sudanese as well.' Ellie Begg
