CYCLING

Congratulations to Eliza Bennett (Year 7) on her recent attendance at the Junior Track National Titles representing NSW in the Under 15s Division, held in Melbourne during Week 5.

Eliza participated in three events; the Sprints, the 500m Time Trial and the 2000m Pursuit.

As one of the youngest competitors in the country at that level, she was not expected to be in medal contention but was very pleased with her performance as she gained personal bests in all three events. She took an incredible 14 seconds off her previous 2000m pursuit time and finished 11th place in the 500m Time Trial.

Well done Eliza on a great achievement.
