MACKILLOP COLLEGE CELEBRATES PI DAY

Pi Day π occurred on Saturday 14 March 2015. Pi Day is especially wonderful this year as the date (as per the US) covers the first 4 decimal places of Pi. WOW!!!!
3.141592653589793238462643….

Year 9 celebrated by calculating the surface area of composite solid cakes involving Pi!!!

Year 12 Mathematics General 1 enjoyed the wonderful world of Mathematics by calculating the circumference and the area of a caramel pie. Followed by designing bracelets with coloured beads that mimic the Pi relationship.

Mrs Pucci - Mathematics Department
