

# HSC Music Students Trip to Encore

On Monday 9 March five Year 12 MacKillop Music 1 students travelled to Sydney for the Annual ENCORE Concert. Encore is a selection of the best performances and compositions from the previous years HSC examinations in Music 1 and 2.

The students were treated to a high quality concert that will allow them to see the standard of the best performers and composers in the state. They will also be able to pick up some valuable tips from these performers by viewing their work live.

John Foreman compered the evening and the concert was held in the Concert Hall at the Sydney Opera House.

The girls were able to have a walk around Circular Quay and enjoy a gelato before heading in for the show. We did have a late return home and there were some weary souls the next day.

I look forward to taking the Music 1 and 2 students to this event in 2016. You never know we may be heading down to watch one of our own students perform.

Mr Paul Hughes
