

PEOPLESCAPE

Some members of a Year 10 and a Year 7 elective Visual Arts class recently had the opportunity to create a Peoplescape of Brett Whiteley and Fr Julian Tenison Woods for Bathurst200.

Year 10 created Brett Whiteley, a famous Australian artist who spent much of his childhood in Bathurst. He often returned to the region as an adult and many of his most well known landscape artworks were of our local region.

Year 7 created Fr Julian Tenison Woods. Fr Woods is recognised as a cofounder of the schools and Sisters of St Joseph here in the Bathurst Diocese. He was a frequent visitor to Perthville.
