

FROM THE REC

The Gospel from this Sunday again focuses on the importance of the Eucharist, on the body and blood of Christ.

John wanted to show that God loves us so much, He wants to physically connect with us. We develop a real physical intimacy with God by reflecting on the Gospel and sharing Christ's body and blood at the Eucharist.

The person who takes Communion 'remains in me and I in them,' Jesus says. That's the gift. But that's also the scary part – because Jesus can change us if we let him.

The students from the Year 12 Catholic Studies class have been visiting the residents of St Vincent's Aged Care for the past few months.

They sit and have a chat and participate in various activities with them.

It has been a very rewarding and enjoyable experience for all.
