

SAINT VINCENT De PAUL NEWS

Earlier this year the people of Nepal experienced a massive earthquake. Four months on, many are still homeless and finding daily life difficult. Gerry Kearney, a member of the local adult conference of St Vincent de Paul, visited the College last Wednesday.

Four members of our conference - (L to R) Jessie Coker, Wynona Winslett, Marinelle Crisologo and Maddi Brown - are pictured here receiving a \$2,222 cheque.

This week the money will to be sent to Nepal, via Caritas Australia, with other monies collected by our students. These four students were also formally thanked for speaking about the SVDP Winter Appeal at Parish Masses 3 weeks ago. An astounding \$3,500 was donated during these Masses. Thank you ladies for being such great ambassadors. Congratulations on your generosity of time and energy on such a cold Bathurst weekend.

Ms Karen O'Farrell (SVDP supporting teacher)
