

On Saturday we welcomed Johanna Drummond to St Joseph's House until the end of the term. We are always happy to assist families when students require short term boarding.

The girls continue to be involved in a great variety of activities.

On Tuesday Year 12 attended their Reflection Day at The Cathedral Hall. On Wednesday Bethany Donlan and Emer Spora travelled to La Salle Academy in Lithgow for the CSDA Central West Regional Debating Day.

On Thursday Year 8 participated in an Inquisitive Minds Incursion that required the students to solve practical mathematical problems, and Year 8 hosted friends and staff at SJH for dinner.
