

YEAR 11 HOSPITALITY WORK PLACEMENT AT 'SHERATON ON THE PARK'

On the 16th of August seven Year 11 hospitality students travelled to Sydney to take part in the Starwood Program at the 'Sheraton on the Park' for their hospitality work placement. Emily O'Shea, Zoë Burke, Grace Hallahan, Jacqueline Banning, Emma Gascoigne, Gabriell Gibson and myself, accompanied by Mrs Sullivan, stayed in two apartments on the 63rd floor of the Meriton World Square.

On Monday morning, we participated in a resume writing and interview skills session which was run by the Human Resources Department. Following this, we toured the hotel which included seeing the exclusive Sheraton Club Lounge, and finished with a buffet-style lunch at Feast Restaurant. On Monday afternoon we assisted the banquets department with a conference in the grand ballroom. On the following three days, we each spent two days in a commercial kitchen and one day assisting the housekeeping department. Both departments were busy as the hotel was at 98% occupancy during the time we were there.

A fantastic time was had by all and we are looking forward to using the new skills that we learnt. We would like to thank Mrs Sullivan for all her efforts to make this trip possible.
