

## 2015 NSW GEOGRAPHY EXCURSION

At the beginning of the term, Year 10 Geography students participated in this year's NSW Geography Competition. The paper consists of fifty multiple choice questions testing a wide range of content and skills taught across the Stage 5 Geography course. The state average was 24.8 and our school's average this year was 33. Two students across the state shared the top mark of 47 and our very own Katherine Van Klooster scored a most impressive 46. Congratulations to Katherine and all the following students who together achieved: 5 High Distinctions, 24 Distinctions and 31 Credit certificates.

**High Distinction:** Varsha Anton-Ravindrakumar, Marina Beattie, Bronte Brien, Kathryn Van Klooster, Elizabeth Young
