

BOARDERS CORNER

Last Tuesday Year 7 and Year 11 Peer Support Leaders spent the day at St Joseph's House. The day involved a variety of group activities to assist the Year 7 students in their transition to high school. Thank you to everyone who purchased tickets in the 100 club. The winning number was 24, held by Paul Daymond. The proceeds of the 100 club will assist Year 11 boarders with their Feasta activities. Over the weekend a group of girls visited Huntley Berry Farm and the historic town of Milthorpe. Although there was not a great deal of berries, the girls enjoyed the day out. The College swimming carnival featured warm weather and colourful attire.
