

VALID - Validation of Assessment 4 Learning & Individual Development.

Year 9 students should soon receive their VALID (Validation of Assessment 4 Learning & Individual Development) results from the tests held late in 2015. VALID targets student skills in Science including knowledge, understanding, communicating and working scientifically. MacKillop College has once again achieved excellent results in the scientific field with students performing well above State averages. The following results indicate the average marks achieved by MacKillop students compared to the average marks achieved by all students in NSW.

	Science (Overall)	Extended Response	Knowing & Understanding	Planning & Conducting Investigations	Problem Solving & Communicating
MacKillop College	92.3	88.6	94.8	94.1	94.6
State	86.4	86.4	87.2	87.0	87.1

Year 9 students and their teachers are to be congratulated on their outstanding performance
