

## BOARDERS CORNER

After returning from a fortnight of holidays, the boarders are settling back into the routine of SJH. During the holidays Tazmin represented MacKillop at her local Anzac Day March in Quirindi, marching with her old school. Last Friday was a colourful morning, with the girls dressed in an assortment of blue, red, green and yellow outfits in support of their house for the College

Athletics Carnival. At the end of last term the resources purchased from last year's Earn & Learn stickers arrived. We would like to thank everyone who assisted with this initiative. The assortment of craft materials and sporting equipment will be put to use at SJH. The start of winter sports saw an early start on Saturday. The bus runs began with an 8.00am run for Henrietta for the start of the netball season.

After this run, the bus was busy all day transporting the girls to numerous activities. Every Sunday there is an organised activity for the boarders. This week eight boarders travelled to Orange for a browse.
