

The girls are busy at the moment completing a variety of assessment tasks prior to staff completing the mid year reports.

A number of students have had excursions over the past week. Georgia and Susy attended a Geography excursion in Sydney, Emma is competing in the Coonabarabran Equestrian Expo, Tash had a Drama excursion to BMEC to watch the production 'Sugarland' and Steph has been on Hospitality work placement at the Knickerbocker Hotel.

Despite the rain over the weekend the boarders had a variety of activities. Friday night Debbie organised a manicure night and pyjama party for the girls. On Saturday sport was washed out so Tazmin decided to do some baking for the house, making chocolate crackles for morning tea. Some girls took up the opportunity for a steam train ride from Bathurst to Newbridge on Sunday.

Also on Sunday, Henrietta, Josette and Susy celebrated their birthdays. This weekend is mid term break for the boarders, travel safely and enjoy your time with family.
