

Despite the cold weather the girls have attended a variety of events. Chloe and Shannon celebrated their birthdays last week. A group of girls joined Chloe on Wednesday evening for a meal at the Thai Terrace for her birthday celebration. On Friday the boarders participated with great enthusiasm in the annual House Music Festival.

Natasha Favaloro went into town on Friday night to attend the Friday Fling dance party held at the Bathurst Memorial Entertainment Centre. The weekend activity this week was to go out to the Tarana Markets on Sunday, however after a late start and a wrong turn we ended up instead at Flat Rock instead! Chloe Ledden and Tazmin Darnell had a great time

climbing over the rocks to watch the high water flowing after the rain and snow over the weekend.

To beat the cold, a group of the girls dug up some decks of cards and had a marathon card afternoon, with games ranging from Golf, Spoons, Cheat, Queen of Sheeba and Texas Hold'Em, while others had a Dreamworks Marathon in the common room.
