

TAHNAYA MERCIECA QUALIFIES FOR 2016 TOM QUILTY

Year 7 student at MacKillop College Tahnaya Mercieca has qualified for the extreme test of horse and rider and will be competing in the 2016 Tom Quilty national endurance ride.

It is 1 rider, 1 horse, and 100 miles (160km) in 1 day. The ride was founded by the great horseman RM Williams. This year the Tom Quilty is in the granite mountains of Victoria and Tahnaya is heading down to compete. She will be one of the youngest riders ever to compete and if she completes the ride will make history for Bathurst and her horse "Mallegrove Quaarma"

We ask all in the Bathurst community to show as little or as much support as they can in helping Tahnaya transport her horse and pay the entry fees and associated costs to make this dream of competing in this historic and significant ride. Having won the last 3 endurance rides, both the horse and rider have a great chance of making us all proud! Tahaya's fundraising link is: <https://www.gofundme.com/2hxxks4>
