

Rotary Youth Program of Enrichment (RYPEN)

On Wednesday morning Megan Walton and Willow Rich, both students in Year 9, were invited to attend the Rotary Club of Bathurst Daybreak breakfast held at the Bathurst RSL. The Bathurst Rotary Club is sponsoring both girls to attend the Rotary Youth Program of Enrichment at Wagga Wagga this coming weekend. This is a three day camp and program for 14 to 17 years students. Megan and Willow will be participating in an intensive program of planning sessions, workshops, sport and entertainment activities. The girls will have the opportunity to learn from achievers in the world of business, sport and entertainment and the presenters will talk at keynote sessions and share their experiences with participants while emphasising the need to work hard and stay focused. At the same time Megan and Willow will be interacting with other students from different backgrounds and improving their teamwork and leadership skills.

We thank the Rotary Club of Bathurst Daybreak for their sponsorship of the girls and look forward to hearing of Megan and Willow's success upon their return next week.

Rotary Club of Bathurst Daybreak members – Erik Mol (Public Relations Office) and Irene Jones (Youth Director) and Megan Walton and Willow Rich
