

RECLAIM THE NIGHT

On the 30th December, Mackillop College joined the cause for 'Reclaim the Night' march from Berry Apex Park to Peace Park. The aim of the march is for women, men and children of the Bathurst community to come together and peacefully protest against sexual violence towards women and children, and to promote women's strength and survival. Reclaim the Night affirms the basic human right for women everywhere to live in freedom from discrimination and fear of violence. The ceremony was organised by Bathurst action group against violence and was very informative and empowering for all involved.
