

2017 HEADSPACE BATHURST YOUTH REFERENCE GROUP

Headspace Bathurst are thrilled to announce that applications for the 2017 Headspace Bathurst Youth Reference Group are open.

Each year Headspace Bathurst recruits a diverse group of young people to work alongside their team and improve the way they deliver mental health services to young people and their families. This includes developing new and innovative ways to increase mental health and literacy, and address the barriers that stop young people seeking help when they need it.

The team at Headspace Bathurst want to ensure that their service continues to meet the needs of young people in our region. To achieve this they need the inside scoop on what the hot topics are for young people and youth input on how they can improve the experience of young people accessing mental health services.

Please see me for an application form or follow the link to information on their website <https://headspace.org.au/headspace-centres/bathurst/recruitment-open-for-2016-youth-reference-group/>
