

## YEAR 10 PASS MANLY SURFING EXCURSION

Year 10 Physical Activities and Sports Studies class traveled to Manly on Tuesday 6th December to attend the Manly Surf School. Leaving Bathurst at 5.45am, the students traveled to Sydney on the bullet train to Central, changing then to Circular Quay and on to a ferry to Manly. They participated in a 3 hour surfing lesson, had lunch in the Corso, and then returned arriving back in Bathurst at 9.30pm. A long and tiring day! Of the 17 students only 2 had some experience at this sport. Through determination, concentration, physical exertion and a lot of fun, all girls were rewarded by successfully standing on the board and traveling for either a short or a long period. Smiles all round.
