

During Term 1 and into Term 2 students will be involved in the Peer Support Program. Each week, groups of 8 to 10 students will meet with 2 peer leaders and 1 assistant and work through a range of activities that focus on resilience. Meeting in small groups allows meaningful connections to form, assisting students with the transition to secondary school.

Over this period, students will acknowledge their strengths and achievements, identify people who support them and learn how to view challenges as opportunity for growth.
