- Student Performances

Congratulations to Sarah Walls and Brianna Adams who performed at Christopher Hillier's vocal recital last Wednesday evening. The event was held at St Michael's and St John's Cathedral with Christopher donating his time and significant skill as a vocalist to raise money for the Cathedral restoration.

The performances of both girls were very well received by the audience with Sarah performing on Violin and Brianna on Flute. The evenings' MC was Mr Hughes who was Christopher's Music teacher at Stannies in the 1990s.

On Sunday 19th of February Gabrielle Whitwell performed for patrons of the Bathurst Harness Racing Club. The afternoon race meeting was scheduled as a racing event for the Cathedral Parish. Belle performed a number of songs after race number 2 and 3 and then was invited on stage by Mickey Pye, her guitar teacher to play another unplanned set. Her music was delivered with confidence and style and was well received by race goers. Belle's performance at the trots followed a performance on the Saturday at the Bronze Thong. It is clear that Belle has great potential in live performance and she is working hard to developed these skills further.

Thank you to Sarah, Brianna and Belle for taking the time to represent the school so well. I would also like to thank the girls' parents for getting them to these events. Your support is much appreciated.

- Footloose - Performances March 22nd - 25th, 2017

The cast and production team are working extremely hard in rehearsals for this upcoming production. They returned early from holidays for an intensive three day rehearsal which allowed all involved to get a firm grasp on the songs and choreography.

The show promises well known songs, spectacular dance routines and a little bit of romance mixed with some teen humour. Include a live band and you have the perfect blend of live theatre.

Performances will take place at the PAC at Stannies with ticket details to come.
