

JJAMM Conference

Liz Young and Casey Mutton had a wonderful experience representing the MacKillop College student leaders at the recent JJAMM Conference that was held at Mary MacKillop Place, North Sydney and St Joseph's Retreat Centre, Kincumber, from Saturday 11 to Wednesday 15 February. This experience is for secondary schools who incorporate the spirit and charisma of the Sisters of St Joseph into their Mission Statements. The conference looked to strengthening those connections between the schools and fostering the vision and dream of Mary MacKillop. We look forward to the social justice initiatives that will unfold over the year.

Weeding the Labyrinth; with new friends; and gathering for the JJAMM photo.
