

The Indigenous Immersion Trip Formation Day

On Sunday 30 July the following Year 11 students, Mikala Bringolf, Darby Elms, Kathryn Evans, Priscilla Gittany-Evans, Jess Iacono, Caitlin Long and Meghan Porter participated in the formation day for the Indigenous Immersion trip to Alice Springs that will be taking place during the next school holidays. The day was facilitated by Mr Luke Tobin from Catholic Mission Sydney. It was a wonderful day of preparation, sharing and learning about Aboriginal culture and spirituality, especially the Arrernte people who have a strong presence in and around Alice Springs. The Immersion Experience will be an exciting opportunity for the students to engage first hand with both Indigenous Elders and their communities along with Church leaders and various agencies that work with these communities. Dearne Geddes, MacKillop College Youth Minister and I look forward to accompanying these students on this trip.
