

# the Arts

- Students from MacKillop College and St. Stanislaus' College present - "Our Town" by Thornton Wilder

An Amateur Production By Arrangement with ORiGiNTM Theatrical, on behalf of SAMUEL FRENCH, INC. Directed by Mrs Deborah Champion (MacKillop College Drama Teacher)

We have had approval from Origin Theatrical regarding the poster which will be out and about in the next few days. Prue Burge in Year 10 has done a sensational job with the artwork and we thank her very much for her creativity and time.

Please watch this space and the College Facebook for ticketing information.

- Guitar Group

The response to guitar group has been very positive with more than 5 students signing up. There will be more information on days and payment available very shortly.

Cost will be approx \$40 for the year which means each group lesson would cost \$1 per student. Super Value! There is still time to see Mr Hughes if you are interested.

- 2017 MacKillop in Concert

The 2017 MacKillop in Concert will be held on Wednesday 8th of November in the College Hall starting at 7pm. All members of the MacKillop Community are encouraged to come along and support our wonderful musicians. Entry is by gold coin donation.

Students who would like to nominate to perform as soloists can collect a sign up sheet from the area outside the Creative Arts staff room.

- Combined Stannies and MacKillop Band

It has been decided to make this group a more permanent feature of the music departments at both schools.

Rehearsals commence  
Wednesday 25th of October at SSC.

The band will play at both the Stannies and MacKillop presentation days during Term 4 and we are looking for more performance opportunities in 2018.
