

## WESTERN NSW UNDER 15 GIRLS CRICKET – AMY KREUZBERGER AND HANNAH KNIGHT.

With the increasing popularity of women's cricket here in Australia and internationally it is wonderful to see more and more girls taking up the sport and playing competitively. MacKillop College's Amy Kreuzberger and Hannah Knight participated in the Western NSW Under 15 Girls Cricket Carnival held in Orange during the week of 15 – 18 January. Both girls lined up in the Western zone team.

Over the four-day carnival Amy spear headed the bowling attack for the Western side claiming 13 wickets in total. What were most impressive were her figures on the third and fourth day. 5 for 0 off 4 overs and 6 for 5 off 7.3 overs respectively, giving Amy a remarkable average for the carnival of just 1.46 runs per wickets taken. Undoubtedly Amy's best results to date. While this was Hannah's first season for the team, she was impressive in the field taking 3 catches, combining with Amy at one stage to send the batsman back to the pavilion. In the final game, Hannah was able to claim her first wicket off her bowling.

Congratulations to both girls on an outstanding performance during their teams second placing in the Western NSW carnival. Who knows, but we might be seeing future stars of the WBBL.
