

THEATRE PERFORMANCE, OUR TOWN, NOVEMBER 2017

Last November from the 22nd to the 25th, over sixty students from MacKillop College and St Stanislaus entertained our community with the 2017 Theatre Performance, Thornton Wilder's acclaimed play, 'Our Town' in our School Hall.

The calibre of work from all these students who ranged from Year 7 to Year 11, was testimony to their skill, discipline and creativity. They fully understood what it meant to be an ensemble.

Whether involved as backstage crew, live foley artists, sound, lighting or screen operators, assistant directing, stage managing or performing, each one of them captured the essence of this timeless play and made memories that will last a lifetime.
