Peer Support Day!

Year 7 participated in a Peer Support Day as an introduction to Year 7 and MacKillop College on Tuesday. The day consisted of activities designed to help the students meet their classmates, their Peer Support Leaders, and some of the staff involved with Year 7. Thank you to all the Year 11 Peer Support Leaders for their leadership of the Year 7 students. Special thanks also goes to Mr Patrick Allen and the Cathedral Primary School for allowing us to use their wonderful facilities. Thank you also to all the staff involved on the day.

Year 12 Common Room

Maintenance staff were very busy over the Christmas holidays preparing the new Year 12 Common Room. It is located in the old Drama Studio and is fitted out with kitchen facilities and a seated area. I am sure the Year 12 students present and future will appreciate and respect the facility.
