

10 PASS TABLOID ACTIVITY AT ST PHILOMENAS

On Monday 14th May 10 PASS went to St Philomena's Catholic School and ran a tabloid event with Kindergarten, Year 1 and Year 2.

10 PASS were completing a Tabloid Assessment as a part of a unit studying Event Management. Students had been preparing in groups from mid way through Term 1.

All students gained a tremendous experience from the event with many MacKillop students commenting on how much they enjoyed the activity. The students from St Philomena's were actively involved in the activity for over an hour.

Some of the activities offered by the MacKillop PASS class were; dress ups, the limbo, an army course, sack races, agility ladders, skipping and many other activities designed to improve the students' fundamental movement skills.

Thank you to the staff from St Philomena's Catholic School for allowing MacKillop to come and teach their infant students.

Mr Matthew Knight
