

CROSS COUNTRY REPORT

Due to the upgrades of the Proctor Park fields, MacKillop College held their annual House Cross Country this year at Sulman Park. This allowed for an opportunity to not only change the venue of the competition, but also the structure. Sulman Park, on the top of the Mt Panorama Circuit, allowed students to run on a sealed road for the entire course whilst being able to take in the great views.

This year all students were involved either in the competitive 4.5km or non competitive 3km course, with all results from both events going towards the House Cross Country Shield. With the new venue came different challenges in setting up the competition and a very big thank you goes to the many teachers and ancillary staff involved in the set up and pack up of the event. This would not have been as successful without their help and support.

McAuley won the non competitive event, with MacKillop and Chisholm equal second. Gilroy won the competitive event with Chisholm in second. Overall the scores were very close. 4th place was MacKillop on 44 points, 3rd place was McAuley on 55 points, and this year Chisholm and Gilroy both shared first place only one point ahead of McAuley on 56 points.

Congratulations to the following students for qualifying for the MacKillop Cross Country Team.
