

CWA PUBLIC SPEAKING

On Tuesday the 22nd of May a dedicated group of marvelous young women represented MacKillop College at the CWA Public Speaking competition at All Saints College. Held annually, this popular competition draws the very best public speakers from primary and high schools across the western region.

Representing the College this year were Bridget Hulme in Year 7; Annabel Burgess and Mia Dopfer in Year 8; Ruby Gangemi and Kaleah Mack in Year 9; and last, but certainly not least, Faith Shean in Year 11. All of these students are to be congratulated for being excellent ambassadors for the College.

Excitingly, two of our students who achieved outstanding results in this year's Competition. Annabel Burgess was in a group of 36 other year 7/8 speakers and, after many years of consistent effort and participation in the competition, achieved an impressive Highly Commended. Ruby Gangemi was the 7th speaker in her Competition group of 44 speakers and in recognition of her outstanding speech on the topic 'Speak for Yourself' Ruby was awarded first place, which is an outstanding achievement! Ruby not only received a wonderful book prize for her efforts but also progresses to the next round in Molong to be held later in June.

Congratulations once again to all participants and to their families who have supported the students in their attendance at the Competition. Well done all!

Mrs Danielle Hart

CARD MAKING

Currently Year 9 Mathematics students are studying Area and Surface Area. They are involved in completing a variety of practical tasks throughout this unit of work. Last week some of the students were making cards and calculating the area of the design on the front cover of the card.
