

INQUISITIVE MINDS

Last Friday, all Year 8 participated in a *Problems, Patterns, Pictures and Puzzles* session designed by *Inquisitive Minds*. The Inquisitive Minds session was an interactive lesson on strategic problem solving. In pairs, students worked on a series of original hands on problems in a fun but competitive environment. There was a lot of chocolate up for grabs, which is always a great motivator! Congratulations to the winners on the day.

Session 1

Round 1

1st place Eddie Smithers and Jacinta Casey

2nd place Eliza Bailey and Sarah Dickerson

3rd place Angelina Koneska and Charlotte Holliday

Round 2

1st place Eliza Bailey and Sarah Dickerson

1st place Charlize Fitzpatrick and Millie Fulton

2nd place Hayley Nairne and Olivia Griffin

Round 2

1st place Charlize Fitzpatrick and Millie Fulton

2nd place Kaitlyn King and Grace Sherlock

Louise Daymond & Sue Lyne

CCC BASKETBALL

The Open Girls Basketball team played Westfield Sports High on Monday at the NSW All School's Championship. The girls played exceptional basketball to unfortunately be narrowly defeated in the final minute of the match 83 points to 86. The team were outstanding ambassadors for the college and NSWCCC. The girls should be very proud of their achievement, creating history as the first MacKillop team to progress to the All School's level.

A huge thank you to Emily Matthews who coached the girls on the day. Her knowledge and experience is invaluable. Thank you also to Mrs Evans-Gittany for assisting Mrs Mutton on the very stressful bench duty!

The Team: Cate Matthews, Sara Matthews, Priscilla Evans-Gittany, Lillie Healey, Breanna Warren, Chelsea Oldham, Matilda Flood and Teagan Germech.

Mrs Suz Reid

MK FIT

MK Fit has been up and running since July this year. We have over 40 students that have utilised the gym during Term 3, which has been so fantastic to see, with usually 10-14 students per session. In August we implemented a Junior and Senior Dedicated Member of the Month Award for students that have continuously trained in the gym the most during the month of August.

I am extremely proud to announce that Maddie Pye and Reshia Winfield are our August winners. Well done ladies!

If any students wish to join, it's never too late.

Come and see me for a permission note in the gym staffroom.

Mrs Wilsmore-Smith
