

● **Generation Art 2018**

Congratulations to our 3 artists who were part of this program for 2018. On Thursday the 6th of September, BRAG had a screening of the short films made by the 9 students involved. There were representatives from the majority of local high schools. In these films the students outlined their experiences as artists and also worked collaboratively to present some of the ideas that they had worked on during the workshops. The MacKillop students involved were: **Aaliyah Penman, Jayah Cowgill and Imogen Murphy**. These three young ladies are outstanding representatives for our College and have grown in confidence as artists through their involvement in this program. Thank you to all involved in organising this project.

● **Year 11 Art Class display their work at the Stannies Art Show**

On Friday the 7th of September our Year 11 Art Class displayed the product of a two term collaboration with Year 11 artists from Stannies. The event was well supported by staff and students from MacKillop and the students from both schools are to be congratulated on a fine presentation of work. Well done to all involved in this collaborative project.
